2017 Conference – Key Tasks for 2015

- **Fall 2016 Regional Conference planning**
 - *Dates are TBD --- pending availability of Hotel Omni Mont-Royal*
 - *Conference Planning Position will be same as the International conference for consistency*
 - *D.Jay Feldman supporting our efforts again for this conference*
- **Training** – *wish list of training needs to be agreed between Canada Chapter and Executive Board – for both Regional and International Conference*
- **Sponsors** – *goal is to substantially increase the amount of sponsors since we are hosting in Canada (Bombardier, Pratt & Whitney Canada, CAE, Canada Space Agency, Bell Helicopter, etc.)*
- **Vendors** – *similar to previous bullet, seek to expand list of typical vendors at our conference – more “Canadian content”*
- **Events** – *start brainstorming and building a list of possible events during the International Conference*
- **Promotion** – *continue to promote our conferences to Engineering Universities in Canada, goal is to get significant number of technical papers submissions from the Montreal area*
